NORTHEAST OKLAHOMA ELECTRIC COOPERATIVE APPLICATION TERMS

27039 S 4440 RD | VINITA, OK 74301 | 918.256.6405 | WWW.NOEC.COOP | VINITA FAX: 918.256.9304 | GROVE FAX: 918.256.9457

Those signed on the Residential Membership Application, (hereinafter called "Applicant") hereby apply for membership in and agree to purchase electric energy from the Northeast Oklahoma Electric Cooperative, Inc. (hereinafter called the Cooperative) upon the following terms:

- 01** The Applicant will, when electric energy becomes available, purchase from the Cooperative or generate on site all electric energy used on the premises described above and will pay monthly therefore at rates to be determined from time to time by the Cooperative, and approved by the Oklahoma Corporation Commission (hereinafter called the "OCC"), or other regulatory authority having jurisdiction over electric rates.
- 02** Applicant agrees to comply with, and be bound by, the provisions of the Certificate of Incorporation and Bylaws of the Cooperative, as the same now exist, or as hereinafter amended, together with such rates and regulations as may from time to time be adopted by the Cooperative, and those rules and regulations adopted by the OCC, or other regulatory authority having jurisdiction over electric utilities, including but not limited to the Cooperative's Terms and Conditions of Service. The Cooperative and the OCC strictly prohibit the resale of electric power and energy received from the Cooperative by a member.
- 03** It is further agreed that Applicant will not permit anyone at any time to disconnect, cut loose, or interfere with any of the Cooperative's lines, equipment, or services, since the same are the property of the Cooperative, and are not to be interfered with by anyone except agents, employees or independent contractors of the Cooperative.
- 04** Applicant shall make available to the Cooperative a suitable site, as determined by the Cooperative upon which to place Cooperative facilities for the furnishing and metering of electrical service, and shall permit authorized employees, agents, and independent contractors to have access thereto safely, and without interference from any hostile source, for purposes of connection, inspection, maintenance, replacement, relocation, repair, disconnection, or reconnection, meter reading, and bill collecting.
- 05** Applicant further agrees that failure or refusal on the part of the Applicant to provide reasonable access for the above purposes shall be deemed to be sufficient cause for discontinuance of service on the part of the Cooperative.
- 06** Applicant further understands that in order to provide safe and reliable electric service to Applicant and other members, the Cooperative must periodically cut, trim and chemically treat trees and shrubbery that in the Cooperative's opinion may interfere with, or threaten to endanger the Cooperative's lines or equipment; and that, by Applicant's signature hereto, permission is specifically granted to the Cooperative to conduct such necessary periodic operations on the Applicant's premises and abutting streets, roads or highways. Clearance requirements of the Cooperative are a minimum of fifteen (15) feet on each side of any overhead line.
- 07** Applicant further agrees, upon request by the Cooperative, to execute and deliver to the Cooperative such grants or conveyances of easements and rights-of-way over, across, on and/or under such lands owned or leased by, or mortgaged to, the Applicant, in accordance with such reasonable terms and conditions as the Cooperative shall require for the furnishing of electric service to the Applicant or other members of the Cooperative, or for the construction, operation, maintenance, or relocation of the Cooperative's electric facilities.
- 08** Applicant hereby agrees that \$6.36 of the amount paid for electricity each year is for a subscription in Oklahoma Living magazine, a monthly publication for the members of the Oklahoma Association of Electric Cooperatives. This charge is to apply to the Membership Account only.
- 09** Applicant further agrees that in the event of a breach hereof by Applicant, or failure on the part of the Applicant to strictly comply with the terms hereof, the Cooperative shall be entitled, in addition to any and all other legal remedies, to seek specific performance by Applicant of the terms and provisions hereof.
- 10** Applicant agrees to be contacted or notified by the cooperative concerning billing, or other necessary reasons, by email, phone, or text messages, as provided by the applicant/member.
- 11** Members of the Cooperative are automatically enrolled in our community service program, Operation Round Up. Through this program, each monthly bill is rounded up to the next whole dollar, and the additional amount is used to support local charitable initiatives. The average annual contribution is approximately \$6.00. Members who do not wish to participate may contact our office and speak with a Member Service Representative to opt out at any time.

SIGNATURES

My/Our signature(s) in this area certify that I have reviewed and agree to the application terms on this document. These terms include the safe operation of electric service, maintenance and clearing of the right-of-way easement and other conditions of service. However, these terms do not include all responsibilities of receiving service detailed in NOEC's Terms and Conditions of Service approved by the Oklahoma Corporation Commission and the Bylaws approved by the Cooperative membership. I/We further certify that the information provided in this application is true and correct.
